Sponsorship & Advertising Opportunities

The **2026 Tomato News Conference** will be organized during Cibus Tec in cooperation with the World Processing Tomato Council and AMITOM.

This event is a unique opportunity for companies to showcase their products and services and be seen to support this source of free information for and about the tomato processing industry by becoming a **CONFERENCE SPONSOR** starting at 3000 euros.

Location: Parma

Date: Wednesday 28 October 2026, 2 pm to 5 pm

Provisional program: The conference will present an update on the **global production** and focus on **technological innovations**.

Expected participation: 300 participants from around the world, tomato processors, growers, buyers, equipment manufacturers, researchers, ...

Attendance will be free - with preregistration required.

For the latest updates on the conference program, list of speakers
and current sponsors, ... go to
